ELIGIBILITY OVERVIEW

The Cash Balance Benefit Program is an optional program for preK–12 school districts, county offices of education, participating charter schools or community college districts as an alternative retirement plan for part-time or temporary employees. Employers must first formally elect to provide the Cash Balance Benefit Program.

If an employer elects to provide the Cash Balance Benefit Program, it must be available to all employees who are hired to perform creditable service by a:

- 1) school district or county office of education, on an hourly or daily basis, or employed or contracted for less than 50 percent for each full-time position; or
- 2) community college district, on a part-time or temporary basis (semester to semester), or for not more than 67 percent of the hours per week considered a regular full-time assignment; or
- 3) governing body of an employer, as a trustee member.

The basis of employment determines an employee's eligibility to participate in the Cash Balance Benefit Program, not the actual number of hours or days worked or the aggregation of contracted positions.

Your employer will provide you with materials along with this form describing both the CalSTRS Cash Balance Benefit Program and the CalSTRS Defined Benefit Program.

If you are a current member of the Defined Benefit Program, you will have a 60-day election period in which to notify your district office of your election choice. See section 2 of this form for your election rights.

If you are an employee new to CalSTRS, or an employee contributing to Social Security or another retirement plan offered by your employer, except for the Defined Benefit Program, see section 3 of this form for your election rights.

If you have any questions concerning your eligibility for this election, contact your employer.

Section 3: For Employees Not Currently Members of the CalSTRS Defined Benefit Program

You may elect an alternative retirement plan other than the CalSTRS Cash Balance Benefit Program if one is offered by your employer. The 60-day election period is your only opportunity to choose an alternative plan other than the Cash Balance Benefit Program. Once the election period expires, and if you become a Cash Balance Benefit Program participant, you will not be allowed to change to an alternative plan. However, if you choose an alternative plan other than the Cash Balance Benefit Program, you may elect the Cash Balance Benefit Program at any time. If your employer subsequently offers Social Security, you may opt out of the Cash Balance Benefit Program and into Social Security at that time.

If you do not return this form to your employer with an election choice, you will automatically default into the Cash Balance Benefit Program. At any time during your participation in the Cash Balance Benefit Program or other alternative retirement plan, you may elect the CalSTRS Defined Benefit Program.

ELECTION CHOICE

- I elect Cash Balance Benefit Program coverage and understand contributions will be immediately deducted from my first paycheck.
- My employer offers and I elect Social Security coverage.
- My employer offers and I elect the alternative retirement plan coverage indicated below.

 NAME OF PLAN OFFERED BY EMPLOYER

If your employer offers an alternative retirement plan, your employer is required to notify you of your right to elect such alternative plans pursuant to Education Code section 26300.
