HB 0985

Dear CalSTRS Member:

You may be eligible for CalSTRS to pay your Medicare Part A (hospital) premiums if you are at least 65, your most recent CalSTRS retirement date is on or before June 30, 2012, and you are not otherwise eligible to receive premium-free Medicare Part A.

The CalSTRS Medicare Premium Payment Program may pay your Medicare Part A premium if you or your spouse did not qualify for premium-free Medicare Part A and you now are required to pay a monthly premium, and you meet the program requirements.

The information in this packet explains who is eligible for this CalSTRS benefit and how to participate. Materials include:

- Medicare Payment Authorization Instructions
- *Medicare Payment Authorization* form (HB-0986)

Because we do not have access to your Social Security or Medicare records, we do not know your eligibility status. To determine your eligibility for Medicare and to enroll, call the Social Security Administration toll free at 800-772-1213.

For your convenience, you may authorize us to deduct your Medicare Part B (medical) premium from your CalSTRS monthly benefit. You do not need to be eligible for us to pay for your Medicare Part A premium to enroll in this option.

If you have any questions about the CalSTRS Medicare Premium Payment Program, please send us a secure online message at CalSTRS.com/contact or call us at 800-228-5453.

Sincerely,

CalSTRS

MEDICARE PAYMENT AUTHORIZATION FORM—Instructions

Medicare is a nationwide, federally administered health insurance program for eligible individuals, usually age 65 and older. Medicare has three parts: Medicare Part A covers inpatient hospital costs; Medicare Part B covers outpatient medical and physician costs; and Medicare Part D covers prescription drug costs.

Most people do not pay a monthly premium for Medicare Part A because they or a spouse paid Medicare taxes while they were working. Everyone must pay the Medicare Part B premium. If you or your spouse did not pay the Medicare tax while you worked and you are age 65 or older, you can request to purchase Medicare Part A.

MEDICARE ENROLLMENT PERIODS

There are three times when you can sign up for Medicare Parts A and B.

Initial Enrollment Period

You may sign up for Medicare Parts A and B during the initial enrollment period, which

- Begins three months before the month you turn 65 and
- Ends three months after the month you turn 65.

General Enrollment Period

If you do not enroll in Medicare Parts A and B during the Initial Enrollment Period, you can sign up during the Medicare General Enrollment Period, which is January 1 through March 31 of each year. Your Medicare coverage will start July 1 of the year you sign up. You may be charged penalties for enrolling in Medicare after the initial enrollment period. CalSTRS cannot pay these penalties for you.

Special Enrollment Period

This period is available if you are eligible for Medicare and waited to enroll because you or your spouse was actively working and had group health plan coverage through an employer. You can sign up for Medicare:

- Any time you are still covered by an employer group health plan through your or your spouse's current employment

OR

- During the eight months following the month that the group health plan coverage ends or when the employment ends, whichever is first

For more information about Medicare enrollment periods, please contact the Social Security Administration at 800-772-1213 or visit socialsecurity.gov.

CALSTRS MEDICARE PREMIUM PAYMENT PROGRAM

Under the CalSTRS Medicare Premium Payment Program, CalSTRS will pay your Medicare Part A premium if you do not qualify for Medicare Part A premium-free and you meet the eligibility requirements. This benefit is not available to your spouse or beneficiary. Under federal regulations, you must also enroll in Medicare Part B. You will have to pay the Medicare Part B premium. As a convenience to you, CalSTRS can deduct your Medicare Part B premium from your monthly retirement benefit and forward the payment to the Centers for Medicare and Medicaid Services, the federal agency that administers Medicare.

CalSTRS does not have a program to deduct Medicare Part D premiums from your monthly benefit.

CalSTRS cannot and will not pay Medicare penalties for late enrollment in Medicare Part A or Medicare Part B.

Eligibility Requirements

Education Code section 25940 establishes the CalSTRS Medicare Premium Payment Program requirements. The eligibility requirements are:

- Be a retired CalSTRS member receiving a monthly benefit and your most recent CalSTRS retirement date is on or before June 30, 2012.
- Be age 65 or older.
- Be ineligible for premium-free Medicare Part A.
- Be enrolled in both Medicare Part A and Medicare Part B.

If you retired prior to January 1, 2001, you are eligible for the CalSTRS Medicare Premium Payment Program.

If your retirement date is between January 1, 2001, and June 30, 2012, your eligibility depends upon whether your employer:

MEDICARE PAYMENT AUTHORIZATION FORM—Instructions continued

- Held a Medicare division prior to 2001.
OR
- Already completed/is conducting a Medicare division after 2001 as long as you retire during or after the 10-day election period *and* you voted “yes” if less than 58 years of age.

To determine if you are eligible, ask your employer the following questions:

Did your employer hold a Medicare division?

If no, then you are not eligible for the CalSTRS Medicare Premium Payment Program. If yes, was it before or after 2001?

- If before 2001, you are eligible for the CalSTRS MPPP, regardless of your vote.
- If after 2001, how old were you at the time of the division?
 - If age 58 or older, you are eligible no matter what your vote, as long as you retire during or after the 10-day election period.
 - If under age 58, how did you vote?
 - If you voted no or did not vote, then you are not eligible for the CalSTRS MPPP.
 - If you voted yes, then you are eligible as long as you retire during or after the 10-day election period.

For help determining eligibility, contact CalSTRS at 800-228-5453.

How to Enroll

1. Enroll in Medicare. Call the Social Security Administration at 800-772-1213 or visit your local Social Security office.

If the Social Security representative tells you that you are not qualified, are ineligible or do not have enough credits to receive Medicare Part A premium-free, tell the representative that you would like to purchase Medicare Parts A and B. Medicare will then send you a *Medicare Premium Bill* (CMS-500).

2. Your first *Medicare Premium Bill* (CMS-500) should arrive the month before your Medicare coverage begins. **Do not pay this bill.**

3. Complete, **initial, sign** and **date** this *Medicare Payment Authorization* form after you receive your first Medicare bill. Include your Client ID number on the top right corner on the *Medicare Premium Bill* (CMS-500). Do not submit a bill that has already been paid. Medicare requires that you have a balance due to avoid duplicate payments.

4. Mail the *Medicare Payment Authorization* form **and** a copy of your **unpaid Medicare Premium Bill** (CMS-500) to CalSTRS. If you are eligible, CalSTRS will begin paying Medicare Part A premiums and/or deducting Medicare Part B from your monthly benefit.

Note: Because of normal processing time, you may receive a second premium notice from Medicare’s federal administrator (Centers for Medicare and Medicaid Services) stating a past due premium. **Do not pay it.** Contact CalSTRS only if you receive a Delinquent Medicare bill.

COMPLETING THE FORM

Please type or print in blue or black ink. If you make a mistake, complete a new form or line through the error, make your correction and date and initial the correction.

Once CalSTRS begins taking deductions, you or Medicare must notify us in writing of any change in status or to request cancellation of premium deductions.
