As you choose a retirement plan and investments, it's important to do your research and consider fees.

Your school district offers Pension2 to give you these advantages:

- simple, easy to understand fees
- **no** commissions, **no** load fees and **no** surrender charges
- lower cost investment options*
- personal assistance and helpful services

To keep more of your money working for you, be aware and compare!

How do fees for your other 403(b) accounts compare with Pension2? Call us toll free at **888-394-2060** for a comparison or go to **www.403bCompare.com**.

Are you a classified employee?

You're eligible, too, because you work in this school district, whether in administration, business offices, food service, information technology, operations, athletics or student services, as well as all teachers. Check out Pension2 today!
