

Preretirement Compound Option Election—Instructions

- * You can use your *myCalSTRS* account at myCalSTRS.com to complete and submit your form online.

This form is used to elect a Preretirement Compound Option.

If you are eligible to retire, you may make a Preretirement Compound Option election. This election is available if you do not yet wish to retire but want to ensure a monthly lifetime income to another person or multiple people if you die before retirement. The monthly benefit is based on the Modified Benefit you would have received if you had retired as of your date of death. At retirement, your monthly benefit will be modified under the elected option. See “Protecting Your Loved Ones Before You Retire” in the *Member Handbook* for more information.

The Compound Option allows three choices. You may:

- Name one option beneficiary, with an option choice, and retain a portion of your benefit as the Member-Only Benefit.
- Name two or more option beneficiaries, with an option choice for each, and retain a portion of your benefit as the Member-Only Benefit.
- Name two or more option beneficiaries, with an option choice for each, and not retain any of your benefit as the Member-Only Benefit.

If you wish to elect a single option beneficiary and not retain a portion of your Member-Only Benefit, complete the *Preretirement Election of an Option* form. Do not complete this form.

Your monthly retirement benefit will be reduced based on your age, the ages of your beneficiaries and the option you elect for each beneficiary. If one of your option beneficiaries predeceases you, that percentage of your benefit will revert to the Member-Only Benefit.

Complete the *Recipient Designation* form to name a one-time death benefit recipient. See the *CalSTRS Member Handbook* at CalSTRS.com/publications for more information.

To find out how each option would affect your retirement benefit, make an appointment with a CalSTRS benefits specialist. Visit CalSTRS.com/benefits-planning for information on scheduling an appointment.

ADVANTAGES AND DISADVANTAGES

What are the advantages and disadvantages of choosing a Preretirement Compound Option Election?

Advantages: If you die before retirement, your option beneficiaries will receive a lifetime monthly benefit. The benefit begins immediately upon your death, regardless of the ages of your option beneficiaries.

In most cases, the Modified Benefit you receive in retirement will be higher if you make a Preretirement Compound Option Election than if you elect the Compound Option at the time of retirement.

Disadvantages: If you cancel or change your Preretirement Compound Option Election before retiring, an assessment will be applied to your retirement benefit. If any of your option beneficiaries die before you retire, your election will be canceled automatically and an assessment will be applied to your retirement benefit. In both cases, the assessment may reduce your retirement benefit for life. The assessment is an amount determined by the Teachers' Retirement Board to be the actuarial equivalent of the coverage you received as a result of your preretirement election.

CHANGING OR CANCELING A PRERETIREMENT COMPOUND OPTION ELECTION

Important: If you want to change or cancel a previously filed *Preretirement Compound Option Election* form and have already applied for retirement, you must submit your option change or cancellation on the *Service Retirement Application Change Request* form and *Compound Option Election* form no later than 30 days after the date CalSTRS issues your first payment. The effective date of your option change or cancellation is the day prior to your retirement date.

EFFECT OF REINSTATEMENT AFTER RETIREMENT

If you reinstate after your retirement, you cannot elect an option or make changes to or cancel your option and beneficiaries for one year after your reinstatement. If you had option beneficiaries and any of your option beneficiaries die within that first year, an assessment will be applied to your future retirement benefit, which may reduce your retirement benefit for life.

OTHER IMPORTANT INFORMATION

If you are approved for a disability benefit after making a Preretirement Compound Option Election:

- Under **Coverage A**, your Preretirement Compound Option Election remains effective.
- Under **Coverage B**, your Preretirement Compound Option Election will be voided as of the effective date of your approved disability retirement and the Member-Only Benefit or Modified Benefit you elected on your *Disability Benefit Application* will become effective.

We recommend you make an appointment with a CalSTRS benefits specialist to help you understand your disability coverage. See [CalSTRS.com/benefits-planning](https://www.calstrs.com/benefits-planning) for more information.

Eligibility to elect a Preretirement Compound Option Election:

You are eligible to elect a preretirement election if you meet any one of the following:

- Are at least 50 years of age and have 30 or more years of service credit. (CalSTRS 2% at 60 members only.)
- Are at least 55 years of age and have at least five years of service credit. (All CalSTRS members.)
- Are eligible to retire concurrently with retirement under the California Public Employees' Retirement System, University of California Retirement System, San Francisco Employees' Retirement System, Legislators' Retirement System or the 1937 Act County Retirement Systems.

SECTION 1: ELECTION, CHANGE, CANCELLATION

Election: If you do not currently have a preretirement election of an option in effect with CalSTRS and you wish to make a Preretirement Compound Option Election, check the *Election* box. An election is effective as of your signature date on your form. Your preretirement election is not valid if we do not receive your form, with your spouse or registered domestic partner's signature if applicable, before your requested date of retirement and no later than 30 days from your signature date.

Change: If you wish to make a change to your preretirement election (change the option elected, your designated option beneficiaries or both), check the *Change* box. If you change your preretirement election, an assessment will be applied to your retirement benefit, which may reduce your benefit for life. The effective date of your option change is your signature date. Your preretirement change election is not valid if CalSTRS does not receive your form, with your spouse or registered domestic partner's signature if applicable, before your requested date of retirement and no later than 30 days from your signature date.

Cancellation: If you wish to cancel your Preretirement Compound Option Election, check the *Cancellation* box. Canceling your preretirement election will result in a lifetime assessment to your retirement benefit, which may reduce your benefit for life. The effective date of your option cancellation is your signature date. Your preretirement cancellation election is not valid if CalSTRS does not receive your form, with your spouse or registered domestic partner's signature if applicable, before your requested date of retirement and no later than 30 days from your signature date.

If you are electing, changing or canceling an option due to a divorce or termination of domestic partnership, contact our Legal Office at 916-414-1725 for assistance.

SECTION 2: MEMBER INFORMATION

Be sure your name is written as it appears on your Social Security card. If you know it, include your Client ID instead of your Social Security number. You can find your Client ID on your *Retirement Progress Report*. Include your telephone number so we can contact you if we have any questions. Indicate if you're a member of one of the other public retirement systems listed. **NOTE:** If you're a concurrent member, age 55 or older with less than five years of CalSTRS service credit, we will verify your retirement eligibility as of the date of your death. If you're ineligible for concurrent retirement, this election is void.

SECTION 3: BENEFIT ALLOCATION/OPTION BENEFICIARY DESIGNATION

The modification to your retirement benefit will be made in accordance with the options elected on this form and will be based on your age and the ages of your option beneficiaries on the date you sign your form. An option factor based on actuarial valuation tables is used to determine the modification of your retirement payment.

Your benefit will be determined using the higher of the option factor in effect at the time you made the preretirement election or the factor in effect at the time of your retirement or death.

Benefit Allocation

If you wish to retain part of your benefit as the Member-Only Benefit, enter the percentage in the space provided.

For each option beneficiary, choose one of the following: 100% Beneficiary Option, 75% Beneficiary Option or 50% Beneficiary Option. Then indicate the percent of your Member-Only Benefit you are allocating. You may select a different percentage for each beneficiary.

We will not be able to process your election if the total allocation of your Member-Only Benefit (to you and your beneficiaries) does not equal 100 percent.

This example is the benefit allocation for a member who wants to retain 50 percent as the Member-Only Benefit and allocate 25 percent to each of her two children.

Recipient	Benefit Allocation
Member-Only	50 %
Beneficiary #1	25 %
Beneficiary #2	25 %
Total	100 %

If you want to designate more than three option beneficiaries, use additional copies of the form.

Option Beneficiary Designation

Descriptions of the beneficiary options available follow. If your option beneficiary predeceases you, the portion of your Modified Benefit that you allocated to him or her will rise to the Member-Only Benefit amount.

100% Beneficiary Option: Upon your death, your option beneficiary will receive the same benefit you were receiving for the portion allocated to him or her.

75% Beneficiary Option: Upon your death, your option beneficiary will receive 75 percent of the benefit you were receiving for the portion allocated to him or her.

50% Beneficiary Option: Upon your death, your option beneficiary will receive one-half of the benefit you were receiving for the portion allocated to him or her.

Each one of your beneficiaries must be a living person or persons. Your beneficiaries cannot be a trust, estate, charity or other entity.

Nonspouse Option Beneficiary: Age Restrictions

Under federal law, if you name someone other than your current or former spouse to be your option beneficiary under the Compound Option, the type of option you may elect depends on your age and the age of your option beneficiary:

- Under the 75% Beneficiary Option, your nonspouse option beneficiary cannot be more than exactly 19 years younger than you.
- Under the 100% Beneficiary Option, your nonspouse option beneficiary cannot be more than exactly 10 years younger than you.

These federal age restrictions also apply to registered domestic partners.

Note: If your option beneficiary's death occurs before your retirement date, your option election will be automatically canceled one day after your option beneficiary's date of death. Your future benefit may be reduced for life depending on the option you elected and the period of time it was in effect. For more information about the advantages and disadvantages of electing an option before retirement, see the *Member Handbook*.

Birth Date Verification

Attach verification of each beneficiary's date of birth. Acceptable birth date verification documents include a photocopy of a birth certificate, state-issued ID, passport ID and certain military IDs.

Preretirement Compound Option Election—Instructions continued

If your option beneficiary's name has been changed from the name shown on his or her birth record, a clear, unaltered photocopy of the marriage certificate or court order documenting the change is required. If you do not have either of these records, contact us at 800-228-5453.

SECTION 4: REQUIRED SIGNATURES

Check all boxes that apply, then sign and date your *Preretirement Compound Option Election* form. If you are married or registered as a domestic partner, your spouse or partner also must sign and date your form. The election will be effective on the date you signed your form, provided CalSTRS receives your form no later than 30 days from the signature date and before your retirement date.

If your spouse or registered domestic partner does not sign your form, you must include a completed and signed *Justification for Non-Signature of Spouse or Registered Domestic Partner* form, available at CalSTRS.com/forms.

If you divorced or terminated a domestic partnership and a portion of your CalSTRS benefits was awarded to a former spouse or partner, check the box that indicates this. You may need to refer to your settlement agreement. If your court documents have not been reviewed by CalSTRS, you may be asked to provide them.
